Mrs Mulvany,

I read the adv. in this morning's paper regarding P.O.W in Germany. There was no phone no. to contact you. My Husband was a P.O.W in Germany for about 4½ years, and was in Milag Nord and the Bremen - Forge camps. I would be grateful to you if you could contact him at the above address or phone number supplied.

Thanking you in anticipation,

Gratefully Yours,

Anne Callan
